

●編舞家的話●

第一次走進醉美空間時,會被它多個層次的空間所迷惑,原本二到四樓之間其實又被切分成兩個半樓層,每個樓層的進出口又都很相似,所以在爬樓梯的過程中會不確定自己究竟是在哪一層了?但到了五樓時整個空間格局突然變的完全不同,讓人有錯置的違和感受!這種二到五樓之間迂迴轉折的空間感讓我聯想到「打結中拆結」的狀態。

於是,我為這個空間起了《結之屋》的名稱來呼應這個房子帶給我的曲折迴旋感, 在這屋子裡我的腦袋同時產生了強烈的意象:住在這個屋子裡的人像是被困一個永 劫回歸的時空裡,一直身處在不斷打結、試圖拆結、繼續打結、又再拆結的情結裡 循環著,那麼又是什麼樣的「結」讓這屋子裡的男男女女解不開理更亂呢?旁觀的 大家是否能為他們理出一個結果?

在這結之屋裡旁觀的大家必須垂直上下去尋找各種的情結,也必須不斷選擇如何分 配時間在四個樓層五個空間去目睹五位舞者和一位鋼琴家的同步表演,整個演出大 家將一起身陷在這個積結成障、結結成界的結之屋裡!

Words From Choreographer Wen-jinn Luo

When I first walked into this building, I was confused by its multiple levels of space. The second to fourth floors are divided into two and a half floors, and the entrances and exits of each floor are very similar which made me wonder which floor I was on when climbing stairs. However, when I got to the fifth floor, the entire space pattern suddenly changed completely, giving me a sense of dislocation. This twisting and turning space from the second to fifth floors reminds me of the state of "untying knots while tying them". Therefore, I named this space "Knot House" to echo the twists and turns this building brings to me. In this house, I had a strong image in my head that the people living there are trapped in a time loop that can never be stopped. They all had to constantly tying, untying, continuing to tie, and again untying the knots which tangle them up.

So what kind of "knot" is it that makes it difficult for the men and women in this house to untie it and make it even more confusing? Can everyone on the sidelines figure out a result for them? Everyone witnessing in this Knot House must go up and down vertically to find various complexes, and must constantly choose how to allocate time in four floors and five spaces to witness the synchronized performances of five dancers and a pianist. The entire performance we will all be trapped together in this house of knots where obstacles and boundaries are formed.

「說不出吐不掉的心結」

"Can't Express The Knot In The Heart That Can't Let Go Of."

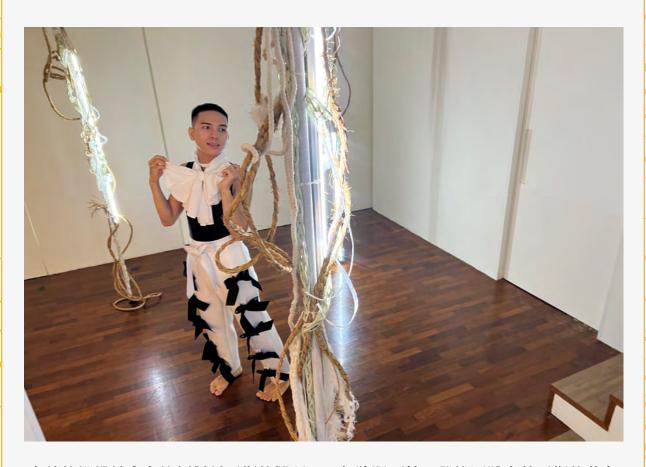

The knot tied to the rope is the heart's wish? Or resentment? Will it be realized when these knots are tied on the body? Piles of sustenance are stuck in the body like stones and cannot be poured out. Instead of being spat out, they are swallowed deeper into the heart.

「綁了拆了綁的蝴蝶結」

"Tie And Untie The Bowknot."

完美的蝴蝶結會有比例對稱平衡的雙環,正如陰陽兩性、雌雄同體完整平衡的共存 於他的身體裡,然而外來的主觀評價與偏見檢視,正在不斷拆解他努力重新繫上的 完美蝴蝶結!

A perfect bowknot has double rings with balanced proportions, just as the male and female genders and hermaphrodites coexist in a complete and balanced manner in his body. However, the high evaluation and prejudice inspection from the outside world are constantly dismantling the perfect bowknot that he worked hard to tie again.

「解了卻過不去的勾結」

"The Collusion That Is Solved But Cannot Be Overcome."

手勾起一小段結,看似解結卻又再次纏繞,一直都能看到這些勾結,仍選擇睜一隻 眼閉一隻眼不去理會它們,於是被勾起的微小結點逐漸被累積進而放大,最終成為 那過不去的坎。

The hand hooked up a small knot, which seemed to be untied but then entangled again. She could always see these knots, but still chose to turn a blind eye and ignore them, so the tiny knots that were hooked were gradually accumulated. Then it amplifies and eventually becomes an obstacle that cannot be overcome.

「走不出進不來的凝結」

"Can't Get Out Of The Condensation That Can't Get In."

處在獨處的空間裡比努力融入群眾的世界要來的自在,索性將自己隔離、封印在虛像的結界裡,一個自己無法走出眾人也無法進來的凝結心房裡。

It is more comfortable to be in a solitude space than to try to integrate into the world of the masses. Simply isolate and seal herself in the boundary of the virtual image, a condensed heart where she can't get out nor can the crowd come in.

"The Entanglement Of Being Unable To Let Go"

為了想和你在一起想到連我的頭髮都打結了!糾結在對物件與人的依戀,與他的糾結變成了癮,放不下、離不開、使焦慮,不斷的糾纏成了連繫彼此的最終結果? Her hair is knotted just because she wants to be with him.
