	<p>PINEA-LINEA DE COSTA is an A.I.R. Program situated in Cadiz Bay, strategically located in Rota Town historic centre and close to natural spaces such as beaches, pine forests and dunes.</p> <p>The strategic situation of Rota, opposite Cadiz at the entrance of the Cadiz Bay, has for thousands of years made it an attractive place for people of many different cultures. The Phoenicians and Tartesians, at the beginning of civilized times, knew Rota as “Astaroth” – a reference to the noise made by the sea on stormy days as it breaks against the rocks of the reef. Its name in Roman times was “Speculum Rotae”, an allusion to the reflection of the houses on the water of the bay. The Arabic name was “Rabita Ruta”. In the middle ages, this became Rota.</p> <p>PINEA-LINEA DE COSTA is not only studios to work. It's much more than this:</p>

	<p>It's an A.I.R program for artistic research, production, meetings and exhibitions. It's an opportunity for artists working in site specific projects whose aim is to dynamically contribute to improve the town, and seeking to foster cross-cultural relations between artists in residence, curatorial team and the locals, by involving the territory in an active way. The involvement of PINEA-LINEA DE COSTA in the local scene makes the stay a key experience in their creative process.</p>
