是一個由多位創作者組成的即興藝術團體，由來自東京和九州的音樂家組成，旨在模糊他們各自表演和風格之間的界限。來自不同背景藝術家，包括電子音樂、嘻哈、Dubstep、氣團音樂、Drone、朋克和酸民謠，將無縫連接他們的表演。

An improvisational collective of multiple creators that has participated in the book fair since its first edition, also created a party every year.

The concept of this concert, consisting of musicians from Tokyo and Kyushu, is to blur the boundaries between their respective performances and styles.

The performances of artists from various backgrounds such as techno, hip-hop, dubstep, ambient, drone, punk, and acid folk will connect seamlessly.
