LeHo

LeHo, a modern artist hailing from Tainan and born in 1995, currently lives in Taiwan.

The name "LeHo" derives from the Taiwanese word for "Hello," symbolizing the artist's intention to extend a warm welcome to all individuals worldwide through his artwork.

In LeHo's mural pieces, the focal point revolves around animals serving as messengers of knowledge, portraying human feelings, narratives, and convictions. These creatures empower viewers to delve into the diverse expressions and atmospheres conveyed through their myriad manifestations.
