The Virtual Choir Games come up with a special highlight: An Online Celebration Concert unites performances of the 10 best choirs of the INTERKULTUR World Rankings. These choirs have distinguished themselves in INTERKULTUR competitions of the last years by their top class performances and have certainly sung their way into many of our hearts!

Before the performances of the Top 10 choirs start, a fantastic choir from the host country of the upcoming World Choir Games 2021, Belgium showcases its amazing skills.
