Music: YU Huan-Fu

In Taipei. A man and a woman in the city are having a dinner date. They ride a scooter going through the town to a traditional market to buy ingredients. While they are shopping, the distinctive atmosphere of the traditional market and items unique to Taiwan bring out the taste of life in Taipei. The two grow intimacy while preparing food and cooking, revealing a whimsical world of food and lust – a redemptive fable of secret city symbols penetrating into body and soul.
