

## **Solar Site Dance Theatre's 2018 coming show "*Straight Line Maze*"**

Solar Site Dance Theater is a southern Taiwan (Kaohsiung) based dance Troupe that has been continually selected as one of the representing group in "Emplacement Plan for Performance Troupe" and "Performance Troupe Classifying Award Plan" by Ministry of Culture since 2011. After being invited to the "Busan International Dance Market" last year, Solar Site Dance Theatre was invited to perform at "Sibu International Dance Festival" in Malaysia at this year.

The coming performance in 2018 "*Straight Line Maze*" will be performing at National Theater-Experimental Theater from the 27<sup>th</sup> to 29<sup>st</sup> of July. This is the sixth work from the artistic director Pan Ta-Chien. Mr. Pan has constantly focused on how people perceive their relationship to the world under the era full of cultural commodity produced by information technology. *Straight Line Maze* reflects a story of a traveler in a state of self-searching and losing truth in the vast expanse of space.

This work using straight line as a metaphor for a maze, people move forward or backward on the endless linear path. Searching for a way out, minds and thoughts go through conflicts and fall apart to nothingness.

Human only lives once. No matter how we manage our life, it only presented once and none can rewrite it. Efforts go in vain. Eventually, our mind pursuing turns out empty. *Straight Line Maze* don't expresses the twists and turns of an adventure but a story of belief and value while people in modern society wandering in the total strange linear journey.
