

## TIME CHAMBER

11'22"

TW-P01-18-453-01

Did you,  
Lived a life as lazy as mine  
Listen, only slow ticking  
Train yourself, face yourself  
Never Break me down

Did you,  
Want to change such a life  
Looked, only black bass  
Train yourself, face yourself  
Never break me down

Never break me down  
Never  
Never break me down  
Never

I waited so long  
I waited so long  
I waited so  
Long (High) Long (Low)  
Long (High) Long (Low)

I waited so long  
I waited so long  
I waited so  
Long (High) Long (Low)  
Long (High) Long (Low)

Time is different (x6)
